Dear Friends,

It is a privilege to send greetings to everyone attending the 2013 Walk for Lymphedema & Lymphatic Diseases hosted by the Lymphatic Research Foundation.

I am grateful for organizations like the Lymphatic Research Foundation for their steadfast dedication to increasing public awareness of lymphatic diseases and advocating for the advancement of lymphatic research. Your work demonstrates the positive influence individuals can have on their community. It is my hope that your efforts inspire others to take part in actions large and small, public and private to enhance the well-being of those in our community.

Please accept my best wishes for a wonderful event and many more years of continued success.

Sincerely,
